

Come and meet the rail industry at Raitex / Infrarail

May 5, 2022

Renowned as the leading one-stop-shop event for the entire railway industry in the UK, **Railtex / Infrarail** reflects the dynamic developments in the sector and the vision of the rail network of the future. Taking place from **10-12 May 2022 at Olympia London**, the popular exhibition will once again bring the entire rail supply sector together, presenting the latest developments in sustainable and smart rail operations.

In 2022, as well as offering new partnership opportunities, the event will deliver a diverse **programme of events and features** to enhance the visitor experience, making this edition a must-attend!

With Railtex and Infrarail under one roof again, visitors can expect an impressive array of technologies and innovations on display. Exhibits cover rolling stock technology, track, and infrastructure, signalling and communications, vehicle maintenance equipment, fare collection systems, rolling stock leasing, electronics for rail applications, cable technology, and many other specialised products for the efficient and safe operation of rail and public transport systems.

Railtex / Infrarail will take place from 10-12 May 2022 at Olympia London. Opening times are from 10 am to 5 pm on 10th & 11th May, and 10 am – 4 pm on 12th May.

Visitors can register in advance via the show website and benefit from **FREE entry tickets**.

Entry tickets are valid on all three days of the exhibition and include free access to all conferences and associated events.

Bringing together the entire railway industry to Olympia London, **Railtex / Infrarail 2022** is an unmissable event and will be an excellent opportunity for rail professionals to share and showcase the latest innovations and developments in the railway field.
