

# Davis Wagon Services celebrates a decade as ECM for Drax

May 17, 2023

**Davis Wagon Services**, a leading provider of maintenance solutions, is thrilled to announce and celebrate its 10-year anniversary as the trusted Entity in Charge of Maintenance (ECM) for Drax. This remarkable milestone signifies a decade-long partnership built on mutual trust, expertise, and a shared commitment to excellence in maintenance services.

Since the inception of this partnership a decade ago, Davis Wagon Services has played a vital role in ensuring the smooth operation and maintenance of Drax's esteemed fleet. As an ECM, Davis Wagon Services has demonstrated an unwavering dedication to adhering to industry standards, implementing best practices, and delivering exceptional maintenance solutions that have consistently exceeded expectations.

Over the past ten years, Davis Wagon Services has successfully provided a comprehensive range of maintenance services to Drax, including routine inspections, repairs, equipment upgrades, and safety enhancements centred around its bespoke Ferrybridge facility. By employing a team of highly skilled technicians and leveraging state-of-the-art technologies, Davis Wagon Services has consistently delivered efficient and reliable maintenance solutions, contributing to Drax's uninterrupted operations and

exceptional performance.

“Our 10-year anniversary as the Entity in Charge of Maintenance for Drax is a significant milestone for us. It represents a decade of successful collaboration, innovation, and continuous improvement,” said John Hall, managing director of Davis Wagon Services. “We are extremely proud of our long-standing partnership with Drax, which has been built on trust, professionalism, and shared values. We look forward to further strengthening our relationship in the years to come.”

Mark Gibbens, head of logistics at Drax, expressed their appreciation for the enduring partnership, stating, “Davis Wagon Services has consistently demonstrated exceptional expertise and unwavering commitment to the highest standards of maintenance. Their contributions have been invaluable in ensuring the reliability, safety, and longevity of our rail operation. We congratulate Davis Wagon Services on their 10-year anniversary as our Entity in Charge of Maintenance.”

As Davis Wagon Services celebrates this remarkable milestone, they remain dedicated to advancing their maintenance capabilities, exploring innovative technologies, and further enhancing their service offerings. The company is committed to maintaining its position as a leading provider of maintenance solutions, setting new industry standards, and continuing to exceed client expectations.
