

DP Building Systems partnership with LGBT Foundation

May 25, 2023

Specialist construction, mechanical and electrical supplier, **DP Building Systems** has announced a partnership with the LGBT Foundation.

The **LGBT Foundation USB fast charger** will fast charge 4 connected USB devices simultaneously. DP Building Systems Ltd is committed to raising £125,000 in donations over a two-year period, with the money raised through selling high-quality products-with-a-purpose used by the LGBT Foundation for projects to serve the LGBTQ community

Just like any other concerned persons or firms, DP Building systems have taken this huge step making sure to contribute its part to supporting the LGBT community in these tough and challenging times. Being a specialist in cable manufacturing in Birmingham, it has partnered with the LGBT Foundation community to launch the partnership product, a unique product which is Pride Inspired Rainbow USB mobile phone, tablet and device multi-charger. The company said: "We all know that how important our mobile phones are for all of us and hence this innovative idea of introducing this product to show support and raise donations."

With so much more going on around the world, from pandemic to the Brexit, DP Building Systems

continues focused on raising donations as well as releasing products that will offer daily benefits to the consumer but allows support and make a difference – it could be using the rainbow coloured charger in a coffee shop fast charging your phone and tablet or at home attending a virtual pride events keeping your devices running.

The fast charge technology allows simultaneously charging of 4 connected USB mobile phones, tablets and devices at a quicker rate than a standard USB cable

The Pride Inspired Rainbow Universal 5-in-1 USB Fast charger will raise important donations for LGBT Foundation to fund projects supporting the LGBT community
