RIA's 13th Award winning Innovation Conference is a flagship event in their Unlocking Innovation programme, bringing together inspirational leaders, pioneering engineers, ambitious entrepreneurs and passionate railway professionals.

The RIA Innovation conference will explore the theme: Realising the benefits of Innovation.

The RIA Innovation Conference has won the Trade Association Forum's Best Conference Award 2018 and MEMCOM's Best Membership Event of the Year 2020!

RIA's Innovation Conference provides a unique opportunity for engagement between suppliers and invited representatives from the wider rail industry, as well as from academia and innovation bodies. The event will include thought provoking keynotes, exhibitor spotlights, and engaging networking activities.

Early Bird tickets are available for The RIA Innovation Conference which will be held 28 and 29 March 2023 at The Devere, Nottingham.
