

# Experience Railway Children's first Overseas Q&A from Dar es Salaam, Tanzania!

March 1, 2022

Railway Children are delighted to announce that they will be hosting their very first Q&A event from Dar es Salaam, Tanzania. This will allow them to bring you closer to their work on the ground in East Africa and find out exactly how your support changes lives.

Matt Zeqiri, Railway Children's Trust and Grants Officer, will be recording the event on Wednesday (2nd March) during his first overseas project visit since he started with the charity two years ago.

They want to give you the opportunity to meet key members of their East Africa Project Team and find out more about what they do and ask the questions that are most important to you.

Perhaps you want to discover what it has been like for the teams in Tanzania during the pandemic, or find out the most common reasons why young people are on the streets.
