

## Heritage stock sale continues

April 25, 2022

The third tranche of Direct Rail Services' (DRS) heritage stock is now available for sale.

This sale will see four Class 37 and two Class 57 locomotives available to buy through a competitive online bidding process. You can find the full list on the website –

Locomotives 37038, 37059, 37259, 37409, 57003, 57007 are all offered as part of the sale and an opportunity to view the engines will be made as part of the tendering process.

Bidders will need to register on the website and use the reference CTM 15380 to download the tender documents.

The process will run until 1pm 23 May 2022 and is another chapter in DRS's push for lower carbon locomotives and ambitious fleet modernisation plans.
