

Huw Merriman MP to join RIA carriage on Railway Children Midland Pullman train

April 5, 2024

The **Railway Industry Association (RIA)** will be hosting a carriage on the Railway Children's Midland Pullman train on Thursday 9 May, with special guest Huw Merriman MP, Rail & HS2 Minister.

The iconic Midland-Pullman will depart from London Paddington at 18:00 and travel through Bath, Reading, Newbury and Bradford on Avon before returning to Paddington at 22:30.

The ticket includes a seven-course dining experience with a curated selection of fine wines and cheeses, alongside first-class entertainment. RIA members are eligible for a 10 per cent discount.

All proceeds go to the Railway Children. By joining us on this journey, you will help change the lives of some of the world's most vulnerable children. All money raised from this exclusive event will fund the work of the **Railway Children** as it supports children alone and at risk on streets and at transport hubs across India, Tanzania and the UK.
