

Impressive growth brings new faces to Market Infra

August 2, 2022

Market Infra, the Sheffield-based business growth consultants, announces four new team members. Ryan Boshell, Hope Hibbard, Sam Harden and Gill Sigsworth-Goulding are set to join Market Infra as Bid Writers, strengthening its bid services team. After a year of impressive growth for the organisation, the appointments will enable it to take on more clients and continue its ambitious expansion plans.

Gill has 18 years of Bid Writing experience, both Ryan and Sam have extensive Administration experience across several sectors, and Hope joins the company as a graduate of Sheffield Hallam University. Whilst new to Bid Writing, Ryan, Hope and Sam bring with them the people skills, enthusiasm, and organisational capabilities to make a real difference at Market Infra.

Additionally, the new recruits will support and bolster Market Infra's existing team.

"I am beginning my new journey at Market Infra at such an exciting time," says Sam. "It's a great opportunity for me to join a progressive company and develop my skills."

“The appointments of Hope, Ryan, and Sam reinforce our vision of becoming the leading provider of business growth for rail. They all have the skills and expertise needed to drive our business forward and build on our current portfolio” says Tom Hudson, Managing Director at Market Infra. “

“With exciting new projects on the horizon, Hope, Ryan Sam and Gill and additional support will be vital to our continued growth and success”
