

Network with RBD Community Members at Railtex

May 4, 2023

The RBD Community (RBDC) continues to go from strength to strength. Membership is growing daily, and a number of the Community's members will be exhibiting at **Railtex** next week from 9-11 May.

This offers delegates a fantastic opportunity to visit their stands and network with other Community members.

You can also visit the RBD Community at stand E34 to learn more about RBDC, membership benefits – including profile-enhancement, brand-boosting news stories, advertising, microsite, promotion in the Rail Business Daily 7.00am newsletter and a marketing and website review – and talk to experts about how to win more business in rail.

Businesses that sign up to RBDC at Railtex will receive extra benefits worth more than £1,000. An exclusive show package includes:

- Three free job posts on RBD Rail Recruiter to help you find top talent via the sector's leading jobs board.
- Two weeks of free advertising on the Rail Business Daily news website – seen by more than 21 million people every year.

RBDC members exhibiting at Railtex include:

1. [Spencer Group](#)
2. [3 Squared Ltd](#)
3. [Advanced Power Services Ltd](#)
