### **Railway Children need your support**

For more than 20 years this fundraiser has been delighting audiences, while also raising millions of pounds in the process to allow Railway Children to help disadvantaged children in the UK and abroad.

Ball Patron and Network Rail Chair, Sir Peter Hendy CBE, said: “As a result of the pandemic there has been an increase in severe mental health issues in young people, and fragile families are in further turmoil, having lost jobs and income. There is a spike in the number of children forced to survive on the streets, leaving a devastating legacy of hunger and poverty across the globe. Sadly, the aftermath of the virus will be felt for generations to come, which is why we are appealing to everyone in UK rail to support this year’s Ball.”

The Railway Ball has become one of the highest profile networking event in UK rail, attracting CEOs and directors from throughout the industry and is seen as the ‘must attend’ night-out in the railway calendar.

The Ball’s name is synonymous with excellence. Stand-out cuisine, electrifying performances and emotional speeches are just some of its highlights.
