

RIA Railway Industry Supplier Excellence (RISE) Awards 2024 open for entries

November 22, 2023

The fifth [RIA Railway Industry Supply Excellence Awards \(RISE\) and Dinner](#) is open for booking and entries.

The event celebrates the value organisations and individuals bring to the rail supply industry across a range of categories. Company awards include Innovation, Employer of the Year and Safety while individual categories include Employee of the Year and Rising Star Award. This year includes a new category 'The Economic Contribution Award'.

Grace Smithen, Senior Marketing and Events Manager, said: "The RIA Dinner and RISE Awards celebrate the innovation, growth and impact that organisations and individuals have on our rail industry. The industry is facing huge challenges with the suppliers having a vital role in not just delivering transformational rail projects to serve a growing number of passengers and freight customers, but also creating jobs and generating economic growth in the process.

"Don't miss your chance of showcasing your achievements this year to our expert judging panel and also joining us in celebrating all of the achievements within the sector."
