

SafeStart19 – Talking Tomorrow's Safety Today

January 4, 2019

Taking place at the start of every year, SafeStart allows individuals a moment to stop and think about safety after a busy Christmas and to see parts of the industry outside of their own immediate remit. The event attracts exhibitors from across the supply chain to promote collaborative working with a focus on safety.

SafeStart19 will take place on 14th February 2019 at Stoneleigh Park, Warwickshire. The event incorporates, safety training, safety demonstrations, inspirational key note speakers and exhibitors showcasing the latest products and services in safety and innovation. For visitors it is the perfect opportunity to expand their safety knowledge, discover what the future holds in safety innovation and network with key industry professionals together in one place at one time, all with the same focus – Everyone Home Safe Everyday. Exhibitors have the perfect forum to showcase and demonstrate their products and services, those that are leading the way in Safety Innovation have the opportunity to exhibit and present in the Innovation Zone.

Since its inauguration in 2014, SafeStart has continued to grow and develop providing a unique platform for anyone working in the railway and highway sector to improve their knowledge and discover the latest innovations in safety alongside training and business networking opportunities.

Visitor registration is now open: <https://safestart.events/visitors/>

SafeStart19 is supported by: Costain, Morgan Sindall, ORR, Rail Alliance, Track Safety Alliance, Rail Safety Week, Railway Industry Association, High Speed Rail College, RSSB, and Rail Forum Midlands.
