

# Six IConference speakers announced for Rolling Stock Networking (RSN) 2022

June 16, 2022

Rail Business Daily (RBD) today announces an outstanding line-up of industry leaders for its IConference at [Rolling Stock Networking \(RSN\)](#).

The IConference will be held at the major exhibition which takes place at Derby Arena on Thursday, July 7.

This year, with the theme **Inspiring Rail People by Inspiring Rail People**, the IConference is designed to **Inspire, Inform, Impact** and offer **Insight** to help you grow your business.

With six speakers in procurement roles from several well-known rail companies, the presenters will undoubtedly have something of interest for everyone.

Drum roll please...

## The speakers include:

**Tony Howard** - [Director of Assurance at RSSB](#)

**Paul Harwood** - [Programme Director, Industry Commercial at Great British Railways Transition Team \(GBRTT\)](#)

**Maria Griffin** - [HS2 Project Director for the Hitachi Alstom High Speed Joint Venture](#)

**Bernie Rowell** - [Head of Delivery - Rolling Stock Project HS2](#)

**Graeme Clark** - [Head of Business Development - Rolling Stock at Siemens Mobility](#)

**Tim Robinson** - [Chairman at Digirail](#)

This year the speakers will focus their presentations on overcoming challenges and taking opportunities to win work.

The conference will include panel discussions and Q&A sessions with host Nigel Wordsworth.

It will give you the unique opportunity to learn about projects, innovations, successes and real-life railway experiences to help your business grow and prosper.

**The conference - held upstairs, above the main exhibition hall - is free to attend and there is no need to book. Simply take your seat for your chosen speaker(s).**
