

# SLC Rail has been Great Place to Work-Certified™

January 18, 2021

SLC Rail, specialists in making third party rail schemes happen, announced that it has received Great Place to Work-Certification™, showcasing its commitment to creating a positive and enjoyable workplace.

Using validated employee feedback gathered by Great Place to Work's rigorous, data-driven methodology, the certification confirms that more than 9 out of 10 employees have a consistently positive experience at SLC Rail.

Ian Walters, Managing Director of SLC Rail said: "I'm really proud that we have been officially recognised and certified as a great place to work.

"It's a really positive endorsement of the collaborative culture we encourage, which benefits not only our people and partners but those clients who choose to work with us."

"We congratulate SLC Rail on achieving their Certification," said Benedict Gautrey, Managing Director of Great Place to Work® UK.

“Organisations which put the employee experience at the heart of their business, gain their employees’ trust and in turn are truly able to build great workplace culture that delivers outstanding business results.”

Great Place to Work® is the global authority on workplace culture. Since 1992, they have surveyed more than 100 million employees around the world and have used those deep insights to define what element makes a great workplace: Trust. Great Place to Work® UK helps organisations quantify their culture and produce better business results by creating a high-trust work experience for all employees.

Their unparalleled benchmark data is used to recognise Great Place to Work-Certified™ organisations, as well as the acclaimed UK’s Best Workplaces™, UK’s Best Workplaces™ for Women and UK’s Best Workplaces™ in Tech lists. Everything they do is driven by the mission to build a better world by helping every organisation become a truly great place to work.
