

Taziker Receives Another RoSPA Gold Award for Health and Safety Achievements

April 4, 2022

Taziker is celebrating after landing an internationally-recognised award for demonstrating high health and safety standards for the second year in a row.

Taziker has received a RoSPA Gold Health and Safety Award for working hard to ensure its people, clients and contractors get home safely to their families at the end of every working day.

Rob Usher, Group HSQE Director, Taziker, said: "This is Taziker's second year of entering the RoSPA Health and Safety Awards and we are proud to have received the Gold Award achievement again. Our teams have continued to develop the maturity of our health and safety culture throughout 2021 while coping with the pandemic we have all had to live through.

"We do however recognise there is more we can learn in our partnership with RoSPA to meet the challenge of providing a world class health and safety performance alongside our people. We rely on the benchmarking and recognition that this health and safety award provides to measure our performance and guide us on our continual improvement journey."

Organisations receiving a RoSPA Award are recognised as being world-leaders in health and safety practice. Every year, nearly 2,000 entrants vie to achieve the highest possible accolade in what is the UK's longest-running H&S industry awards.

Julia Small, RoSPA's Achievements Director, said: "This is a fantastic and well-deserved accomplishment. All our award entrants demonstrate their unwavering commitment and passion for keeping people safe at work. By receiving this recognition Taziker join like-minded businesses and organisations worldwide, who represent the very best in their approach to Health and Safety.

"I would like to add my personal thanks for all the work that it has taken to secure this well-deserved award – congratulations to all those involved, who champion and drive up Health and Safety standards every day. You are a fantastic example to others in your sector."
