

# Rail Aid Auction closes TONIGHT – get your last-minute bids in now

November 24, 2023

Today is your final chance to get your bids in to this year's **Rail Aid Auction**, which features more than 150 lots.

The auction is a major fundraising initiative, that raises vital funds for Railway Children, a charity that rescues vulnerable children from a life of desperation living on the street, in the UK and across the world.

There's a number of gifts and experiences, up for grabs this year, that include an array of luxury goods, rail memorabilia, books, artwork, electrical items, day trips and mini breaks, to a range of unique lots, from helicopter flights, sporting experiences to concert tickets and much more.

The online auction is currently open for bids and will close at approx. 10.45pm on Friday 24 November 2023, with the exception to the Live Auction lots, which will close at 9.30pm.
