

UK Railtours raises £10,000 in support of the Ehlers-Danlos Support UK

February 28, 2023

The Ehlers-Danlos Support UK (EDS UK) says it was delighted to collect a cheque for £10,000 from UK Railtours.

The money was raised from charity raffles that the fantastic team at UK Railtours held on board their tours during February – December 2022.

EDS UK would like to thank the team at UK Railtours for fundraising to help support people all around the UK touched by the Ehlers-Danlos syndromes (EDS) and hypermobility spectrum disorders (HSD).

EDS UK improves quality of life for people living with EDS and HSD – a group of genetic connective tissue disorders that affects the whole body, with often disabling symptoms. Find out more: www.ehler-danlos.org

The UK Railtours' programme features an eclectic mix of destinations and routes. Tours explore scenic rail routes or lines which lost their regular passenger trains many decades ago.
