

Urgent repairs affect Lichfield services

May 3, 2022

West Midlands Railway (WMR) has said that urgent repairs mean services are unable to run either way between Lichfield City and Lichfield Trent Valley.

Network Rail is carrying out repairs that are expected to last until Sunday 8 May.

During this time, WMR will run a regular shuttle between Lichfield City and Lichfield Trent Valley.

Customers are also able to make use of their tickets on London Northwestern Railway services between Birmingham New Street and Stafford to connect with trains to Lichfield Trent Valley.

WMR is asking its customers to check [National Rail Enquiries](#) before heading out.
