

Webinar: Sustainable and diverse supply chains

March 2, 2022

Supply chain solutions specialist Achilles is hosting a [free webinar](#) exploring how sustainability drives value and the challenges in creating sustainable and diverse supply chains.

The event, taking place on Wednesday, March 9, from 10.30am until 11.30am, features a panel discussion bringing together buyers, suppliers and industry experts from within the transport sector.

Katie Ferrier, Senior VP at Achilles, will be giving an introduction to sustainable and diverse supply chains at the event, said: "The world has changed and this webinar will be a fantastic opportunity to discover how supply chain risk needs to be assessed and measured and how to position your company to benefit."

Joining Katie in the panel discussion are:

- Natalie Pickett, Head of Procurement at Keolis Amey Docklands.
- Tom Jolly, Procurement Governance and Capability Manager at FirstGroup.
- Emma Alexander, Head of Sustainability at FirstGroup.
- David McLoughlin, CEO of the Business Daily Group.

David McLoughlin said: “I’m delighted to be joining such a strong lineup of speakers to discuss the challenges around developing sustainable and diverse supply chains.

“Now is the time for collaboration and events like this are vital in sharing best practice and ensuring we have an industry, and in particular a supply chain, that thrives.”
