RailBusinessDaily is delighted to announce that orders are now available for the *Your Railway, Our Community* brochure - a comprehensive embossed brochure celebrating the relationship between the community and its railways during the Queen's reign.

Designed to commemorate Her Majesty The Queen's Platinum Jubilee, the brochure features a look back over 70 years on the railways and highlights of some of the fantastic work being completed by rail organisations and businesses across the UK to support their communities. Some of the organisations featured include Network Rail, Transport for London, British Transport Police, Northern Trains, Jacobs, and more.

Available for £5+VAT plus postage and packaging online, this is a limited edition brochure with all £5 being sent to worthy charities - including:

- Save the Children
- Railway Children
- Railway Benefit Fund
- Railway Mission
- Women in Rail

The brochure is available to buy online [here](#). The brochure will be able to be purchased at selected stations across the UK too, where Jubilee celebrations will be taking place. A full list of where to purchase the brochure for £5+VAT will be revealed soon.

Chris Leech MBE, Organiser of the Station 2 Station Jubilee events and the brochure, said: “This brochure is a celebration of what is fantastic about Great Britain’s Railways, its projects, its people and our social purpose.

“Not only is it a chance to pick up a limited edition booklet focused on the UK’s railways, it is also a chance to support five brilliant charities and make a difference.

“We’d like to thank everyone who contributed towards this brochure. In Great Britain’s railways, it is all about the people and keeping our communities connected”

Online pre-orders are now available with deliveries starting from 1st June 2022. To pre-order your copy, visit www.railbusinessdaily.com/jubilee
